## INTRODUCTION

MISS DALJIT K DHARIWAL, 62nd BAOMS PRESIDENT

Dear friends and colleagues,

It gives me great pleasure to invite you all to the BAOMS annual scientific meeting at the Oxford Mathematical Institute, 3rd - 5th July 2024. The theme of the meeting is *the Patients' Voice* with patients on discussion panels throughout the meeting. This year, there will be one pre-conference SORG course in Oxford. There will also be early morning industry educational sessions instead of masterclasses which will be organised by our main event sponsor KLS Martin and the Gold Sponsors Stryker and Depuy as well as AO. There will be no lunchtime sessions to give colleagues an opportunity to network and catch up with friends over lunch in the medical exhibition. The Mathematical Institute is close to the city centre with several hotels and Oxford Colleges offering accommodation nearby. All the social events will be within 10 minutes walking distance of this venue. I would suggest **booking accommodation early** as it is a busy week in Oxford with Silverstone that weekend.

The Welcome reception will be held at Oxford's Natural History Museum which is a beautiful Gothic building, allowing you to have drinks and canapés with the dinosaurs. The Gala dinner will be held at Oxford Town Hall and will be a chance to dress up in glamorous outfits from your country of origin or your best ball gowns and DJs. My colleagues in Oxford, will organise local inclusive social events which you can sign up to separately.

There will be three parallel educational events running alongside the ASM.

On Wednesday, our SAS colleagues have organised an excellent program of speakers aimed at their specific educational needs. On Thursday, the Maxillofacial Prosthetists will run a similar all day programme and there will be a parallel Nurses day on Friday. Please would you share this information with your teams and encourage attendance at these parallel educational events, as these staff are not members of BAOMS. I hope that you will encourage your teams to attend the social events too.

**Online registration** will be available via the BAOMS website.

There will be special rates for BAOMS members who are Fellows in Training, Junior Trainees (OMFS DCTs, Foundation Trainees etc), BAOMS Students and Student Associates, IMPT members and OMFS Nurses.

The medical exhibition will run alongside the scientific programme. All coffee breaks and daytime catering and will take place in the exhibition area. (Please contact the BAOMS office for further details about the medical exhibition and sponsorship opportunities).

## CONTINUING PROFESSIONAL DEVELOPMENT (CPD)

This meeting aims to provide attendees with the opportunity to gain up to date knowledge on the latest developments and techniques in research, audit, education, surgical techniques, clinical patient management and outcomes in the field of oral and maxillofacial surgery.

This is delivered through lectures, seminars and short papers.

Certificates of attendance will show daily CPD allocations, but participants should verify their own attendance record out of the maximum hours available, which have been calculated as follows:

### Wednesday 3 July

Session 1100 – 1300 2 hours  
Session 1400 – 1615 2.25 hours

**Total CPD hours 5.75**

## CERTIFICATES OF ATTENDANCE

Certificates of attendance indicating the CPD hours for the elements of the meeting booked by the attendee will be sent by email after the conference.

**CPD is only available to onsite attendees.**

## SCANNING IN EACH DAY

In order to meet the requirements of verifiable CPD attendees should scan in at the meeting venue on each day that they attend the conference. BAOMS is required to keep this attendance record on file in order for CPD hours to be considered verifiable. Your cooperation is much appreciated.

## EVALUATION FORMS

The provision and holding on file of delegate evaluation forms is another requirement of verifiable CPD. Please ensure that you complete the ONLINE form to receive your CPD certificate. Your cooperation is much appreciated. CPD certificates will be available on the conference app, issued approximately 4 weeks after the onsite meeting (not before) on verification.
